

Harassment and Discrimination Assistance and Prevention

COVID-19 Precautions

For your safety and the safety of HDAPP team members, we are following UC Davis' Campus ready plan and require individuals that attend in-person intake meetings to follow the healthy behaviors listed below. Advisor/support people must also follow the healthy behavior list below too.

HDAPP team members are also following the healthy behaviors outlined in the Campus ready plan.

To attend an in-person intake meeting, you must follow these healthy behaviors:

1. **Complete the Daily Symptom Survey (DSS)** and provide the results to hdapp@ucdavis.edu at least one hour before your intake.

QR Code for Daily Symptom Survey

DSS for Students & Employees	DSS for Visitors
https://hem.ucdavis.edu/	https://ucdavis.co1.qualtrics.com/jfe/form/SV_6rDZ3fplp9y54ON

If you don't have access to fill it out the survey online, please schedule a phone call with HDAPP for the day of your intake to verbally answer the Symptom Survey questions.

This is a guide for what your **DSS** results means:

Your DSS results will be emailed to you after you complete the survey.

- **GREEN & PURPLE**- You can attend the in-person intake meeting. You must wear a face covering during the intake meeting.
 - HDAPP will not provide face coverings. Please plan to bring your own.
- **YELLOW, ORANGE, or RED**- You cannot attend the in-person intake meeting, but you can contact HDAPP to reschedule the appointment or change it to Zoom/phone meeting.
 - To find out how you may be able to change your results, go to [Campus Ready's Website on the DSS](#).

2. Follow **CDC Guidelines for domestic and international travel**. Read more on [Global Affairs website](#).

Please note in-person intakes are not required. Intakes can be done by phone or Zoom.

If you need to reschedule and/or switch the method of the intake, please [contact HDAPP](#).
